You deserve to look your best. At Dermatology Associates our physicians have specially chosen our skin care products to help you receive the maximum results, with a routine that will fit easily into your lifestyle.

CLEANSERS:

Replenix Foaming Green Tea Cleanser

A rich soap-free cleanser that gently cleanses and moisturizes the skin without drying. This cleanser contains a special antioxidant formula of liposomal vitamins, A, C, E, Green Tea and White Tea, along with Co-Q10.

10% Glycolic Moisturizing Cleanser

A rich, soap-free cleanser that exfoliates, smoothes, and aids in the restoration of healthy skin through the use of 10% glycolic acid.

Gly/Sal 2-2 Wash

This specially formulated oily skin cleanser delivers 2% ultra pure glycolic acid and 2% salicylic acid to gently cleanse acne-prone skin. This product can also be used as a body wash.

SkinCeuticals Foaming Cleanser

A mild, non-drying, fragrance-free cleanser that contains gentle, non-allergenic ingredients to prevent irritation. This product deep cleans pores while removing excess oils and impurities. This is a light weight cleanser suitable for all skin types.

SkinCeuticals Gentle Cleanser

This mild non-irritating crème cleanser removes impurities without drying the skin. This product soothes and calms sensitive skin with emollient and skin conditioning ingredients.

SkinCeuticals Clarifying Cleanser

This cleanser is specifically formulated for acne-prone skin, combining salicylic acid with the exfoliating powers of glycolic and mandelic acids to unclog pores and to help improve the appearance of problematic skin. Treats existing whiteheads, blackheads, and other acne related blemishes.

MOISTURIZERS:

Ultra Light Facial Cream

This ultra light moisture-enriched facial cream contains a rich blend of antioxidants including Vitamins A, C, and E, Green Tea extract, and Co-Q10 to assist in minimizing free radical skin damage, while aiding to the restoration of healthy looking skin. Light enough for acne-prone skin.

SkinCeuticals Emollience

A rich moisturizer for dry or sensitive skin that helps skin maintain moisture. This restorative cream is enhanced with natural extracts and oils to hydrate and nourish the skin.

SkinCeuticals Daily Moisture

A lightweight moisturizer with vitamin E and botanical extracts that hydrates skin while helping to reduce the appearance of pore size. This product is perfect for normal to oily skin.

Biodroga Golden Caviar

This rich crème optimizes the skin’s moisture content and promotes smooth, soft skin. It helps to firm the skin while reducing the appearance of fine lines and wrinkles. This product is excellent for dry, mature skin.

Dr. Grandel Ultra Sensitive

This exceptionally mild moisturizing cream gently conditions and soothes sensitive skin while protecting against moisture loss. This product is fragrance and oil-free.

ANTI-AGING:

Prevage

This cream contains the most potent antioxidant available and helps to restore more youthful looking skin by treating dullness, rough patches and the appearance of fine lines. This product is not recommended for acne-prone skin.

Skin Medica TNS Recovery Complex

This serum contains human growth factors, antioxidants and soluble collagen to help rejuvenate sun damaged and aging skin by improving texture and elasticity. TNS Recovery Complex is appropriate for all skin types without irritation.

Kinerase Cream and Lotion

Kinerase contains the essential plant growth factor N-6 furfuryladenine for reducing the appearance of fine lines and wrinkles without irritation, photosensitivity or exfoliation. Ideal for those people who are sensitive to other anti-aging formulations.

SkinCeuticals CE Ferulic

This combination antioxidant serum provides an unprecedented 8 times the skin’s natural protection against photo-aging. This potent product protects against free radical damage, stimulates collagen production, and leads to a more youthful looking complexion.

SkinCeuticals Phloretin CF

This antioxidant helps against damage and DNA mutations which can prevent healthy cell regeneration and lead to signs of photodamage including fine lines, wrinkles, loss of elasticity, discoloration, and even skin cancer.

SkinCeuticals C+AHA

This two-in-one antioxidant serum contains L-ascorbic acid (Vitamin-C) to protect against the damage of UVA/UVB rays and to help prevent premature signs of aging. Hydroxy acids (glycolic and lactic) exfoliate and smooth the skin. This product is excellent for acne/oil-prone skin.

Enhanced Retin with Kinetin

This product contains prescription strength retinoic acid as well as the plant growth factor Kinetin. These two ingredients act as powerful collagen stimulators and help to reduce the signs of sun damage, including pigment and texture changes, and the reduction of fine lines.

EYE CREAM:

SkinCeuticals Eye Balm

This rich, corrective emollient treatment is specifically formulated to counter the three prime signs of aging: moisture loss, collagen breakdown, and free radical damage. A natural anti-inflammatory is added to reduce the appearance of under-eye puffiness, while a soothing agent derived from the chamomile plant calms irritated skin.

SkinCeuticals Eye Cream

A light eye cream to help reduce puffiness, sagging skin, and dark circles. This firming eye treatment supports collagen production and smoothes the delicate eye area.

.....

MASK:

SkinCeuticals Clarifying Clay Mask

This non-drying mask with natural earth clays contains a hydroxy acid blend to gently exfoliate, decongest pores and lift impurities. Natural anti-inflammatory agents calm and soothe the skin. This product is recommended for oily to normal skin, and is also good for acne-prone skin.

Biodroga Vitamin Honey Mask

This rich cream mask contains honey, wheat germ oil and vitamins to enhance oxygen exchange and visibly energize skin, while it smoothes and conditions. This product is recommended for dry, mature skin.

Biodroga Sensitive Skin Mask

This light cream mask increases skin moisture and helps to create a supple, more even complexion. This calming product is good for sensitive skin.

.....

MISCELLANEOUS:

SkinCeuticals Phyto +

This lightening formula combines four active ingredients to diminish hyperpigmentation (brown discoloration), and to improve the overall health of the skin. Kojic acid and arbutin break up hyperpigmentation, while cucumber and thyme contain anti-inflammatory and antiseptic properties to soothe red, irritated skin. This product is a natural alternative to those unable to use the chemical skin lightener Hydroquinone due to allergic reaction or pregnancy.

SkinCeuticals Hydrating B5 Gel

This oil-free gel contains hyaluronic acids to bind moisture to the skin and to replenish nutrients. This product can be used alone as a light moisturizer or to enhance the effects of your daily moisturizer, and is perfect for all skin types.

SkinCeuticals Blemish Control Gel

This non-prescription spot acne treatment helps to reduce acne blemishes, blackheads and whiteheads while allowing the skin to heal. This product contains salicylic acid to exfoliate and to unclog pores, helping to prevent future breakouts.

Intensive Hand Cream

This rich cream provides enhanced long lasting skin moisture protection. Especially useful for the treatment and prevention of dry chapped skin conditions caused by frequent exposure to the elements.

Gly/Sal 5-2 Pads

These pads deliver 5% ultra-pure glycolic acid in combination with 2% salicylic acid for oily and acne-prone skin types. The refreshing pad application is easy to use, and contains Witch Hazel for additional astringents and toning benefits.

Enhanced Bleaching Cream

This lightening cream contains prescription strength Hydroquinone with kojic acid, retinoic acid, and a mild cortisone. These ingredients effectively inhibit melanin production, thereby lightening skin color.

Glycolix 15% Body Lotion

This light, quick absorbing body moisturizer contains 15% glycolic acid along with vitamins A, C, E, and Green Tea extract to help achieve softer, smoother skin texture.

Biodroga Facial Peeling

This extra gentle exfoliator contains unique peeling grains to cleanse and freshen the skin, while conditioning oils leave the skin soft and supple. This product is ideal for all skin types.

Biodroga Spa Sensations

This daily body moisturizer is a luxurious treat, combining intense skin hydration with an ocean fresh fragrance. This sheer body cream supplies lavish humectants to stabilize skin moisture in the form of a rich emulsion to leave skin soft and supple.

Biodroga Mild Lotion Toner

This mild toner further cleanses the skin after washing and is gentle enough for dry and/or sensitive skin. This revitalizing product is alcohol-free.

.....

SUN PROTECTION:

Oil-Free Moisturizing Sunscreen SPF 15

This light oil-free sunscreen provides a moderate level of sun protection for everyday use. Not recommended for Laser Center patients or those requiring higher levels of sun protection.

Oil-Free Moisturizing Sunscreen SPF 30

This oil-free, non-comedogenic sunblock provides sun protection as well as the benefits of an antioxidant-rich moisturizer. This product works well for all skin types including acne-prone patients.

SkinCeuticals Ultimate UV Defense SPF 30

This broad spectrum oil-free sunblock contains 7% transparent zinc oxide to help protect against the damaging effects of UVA + UVB rays. This product is cosmetically elegant and moisturizing.

Solbar Shield SPF 40

A chemical-free sunscreen perfect for children and adults with sensitive skin. Water-resistant and scent-free.

Tisic Sheer and Untinted SPF 45

This sunscreen contains micronized titanium dioxide to provide a physical block against UV radiation. This is the ideal formulation for athletes, runners, golfers, and other outdoor enthusiasts. This product is waterproof and sweat proof.

Skin Ceuticals Active UV Defense SPF 15

Broad-spectrum sunblock, contains MexorylTM SX. Helps prevent the effect of sun damage and protects against UVA and UVB rays.
